

*Dear Parents, carers and children,*

*I hope you are all keeping well and managing to make the most of the time together. Thank you for all your photos- on this page are a selection- keep them coming in and we will share in future newsletters.*

*Staff are still at school should you need any help or advice about home learning or just need to chat to someone about your children and how to help and support them. We are also here to help and support parents and carers so please do let us know if we can help.*

*I am sure some of you are anxious about transition into your children's next class. May I assure you that we are looking closely at how we can support the children in the best way when we do eventually return to school. We have to wait until the end of May before confirming classes due to the possibility of resignations and new appointments. We will let you know when the plans have been finalised.*

*At this stage, as we have only just seen the announcement from the government, we cannot answer all the questions on our planned provision for the identified year groups of*

*R, 1 and 6. We are waiting to receive more information from the government about what this means for our school. In the short-term, nothing has changed and we will provide further information in the coming days and weeks once we are able to do so.*

*Stay safe, and hopefully we will be together again soon.*

*Best wishes,*

*Ms Morgan*
